FINS - POLYCARB *NEW* BASIC FCS STYLE SURFBOARD FIN SETS IN 3 SIZES

Availability:	email: info@curvesurf.com	Colours: size 4,5: Black, Bone size 1: Orange, Red, Blue
About the product	<p>FCS compatible Polycarb surfboard fins: Nylon Polycarb fins are a cost conscious line of FCS compatible surfboard fins designed for a variety of wave conditions. They are built tough, stiff and with optimum flex, and come in 3 sizes.</p> <p>Available in 3 sizes: 5 (all rounder – G5 style - novice to intermediate) 4 (performance shape - similar to 5 but slightly shorter and with more rake in the tip for more powerful surfers) 1 (smaller performance fin - ideal for medium to small surfers – smaller centre fin provides faster release from turns)</p> <p>Fin sets are unpackaged</p>	
Features	<ul style="list-style-type: none"> ▪ fully FCS Compatible ▪ strong Polycarb construction ▪ choose from black or bone ▪ comes as three fin set ▪ great as a spare set when travelling ▪ includes fin key
