

Seek, find and surf with an easy to use sling that provides grab handles, shoulder strap and paddle holder – to help handle and carry any size Stand Up Paddleboard.

features

No boardbag – easier to use and less bulky than a boardbag.

Easy handling – 3 grab handles and padded, adjustable shoulder strap for loading to vehicle or walking to beach.

Easy close – hook and loop closure custom wraps any size SUP in seconds.

Paddle holder – secure your paddle for hands free carry.

Strategic padded zones – boosted rail protection and hip comfort.

One size – fits all Stand Up Paddleboards.

Large pocket – stores gear with mesh for drainage.

you can also...

- Use to prevent wax transfer onto your vehicle.
- Connect to a Curve boardcarry backpack.
